The Assumption of the Blessed Virgin Mary

Pope Pius XII issued an Apostolic Constitution on the Assumption of the Blessed Virgin Mary which said: “The Fathers of the Church, the great Doctors, in the sermons they preached on the feast of the Assumption of the Mother of God, had as their theme a doctrine which all the Christian would already know and accepted; it was for them to elaborate it, to bring out the essential meaning of it, beyond what lay in the surface. To say that the body of the Blessed Virgin never knew decay was not to exhaust the meaning of the solemnity. What we celebrated was the triumph she won over death when she was glorified, after the pattern of her only Son Jesus Christ in heaven.”

Nineteenth Sunday in Ordinary Time
1 Kings 19.9, 11-13; Romans 9.1-5; Matthew 14.22-33
 Today's Gospel reveals what miraculous things can happen when one embraces a single-minded faith in Jesus Christ. Peter gets out of a wind-tossed boat when the Lord calls him. His faith is tested by his obedience to Jesus who is calling him out onto the water. In the midst of the waves and the wind, Peter gets out of the boat and walks toward Jesus. Good stewards heed Christ's call to them. Sometimes that call directs them to take on seemingly impossible challenges. This week, reflect on how the Lord could be calling you out of the safety of your own "boat" to take on the impossible.
